Descripción	
Campanas y esquilas	Originally there were only 6 bells, this being the normal number for all but the richest communities. However as Eltham grew as a town, it was decided to enhance the ring to 8 bells. The restoration project was organised by Captain W. Anderson M.C. and by 1924, the money was finally raised to do the work.
Toques actuales	Current Bell Ringing Change ringing on Sundays and special occasions (8 Bells)
